A Meeting of the Members will be held as follows:

Date: December 1, 2025 (All mailed ballots must be received by us by November 30, 2025)
Time: 4:00 PM
Location: via zoom.com (Zoom info will be posted at: www.TheHOAElectionGuys.com/sol)

If you do not have the ability to access zoom, the following physical location will be available with a device to access the zoom meeting: **The HOA Election Guys – 22521 Avenida Empresa, Ste 120, Rancho Santa Margarita, CA 92688**

This Meeting of the Members is being held to vote on the election of ONE (1) director. A vote on IRS Revenue Ruling 70-604 will also take place to address potential excess funds and reduce tax liabilities.

For the election to be held, a quorum of the membership must return a ballot, or attend the meeting.

The Sol at A-Town Association bylaws define a quorum as “25%” of the voting power of the association, or 22 members. This quorum requirement is lowered to 15% (13 members) at a reconvened meeting. If quorum is not reached at any meeting, the members in attendance at the meeting may vote to either (a) reconvene the meeting to a later date, or (b) close the meeting without reconvening, meaning no election will take place (this is done via a voice vote of the homeowners present at the meeting). If a meeting is reconvened the deadline for receiving ballots will be extended as well. Please return your ballot so that we can meet quorum!

If you have any questions, please do not hesitate to contact your association's Inspector of Elections. The HOA Election Guys, Inc can be reached at (888) 380-3332 or by email at info@thehoaelectionguys.com

CANDIDATE STATEMENTS

Shabana Hussain

I have been a resident for the past four years. I bring both relevant experience and a commitment to contributing meaningfully to our community. Previously, I served as a board member at the ECCOLoft Association in San Diego, where I focused on resolving critical building issues including water pressure challenges—successfully addressed by identifying and hiring a skilled testing and maintenance company. I was also actively involved in initiatives to improve building cleanliness and enhance security measures.

Professionally, I serve as a Director of Quality Assurance at a technology company, where I lead teams, streamline processes, and ensure system integrity—all skills that I believe translate well to HOA board responsibilities. I take a measured, analytical approach to problem-solving and understand the importance of listening to stakeholders before making decisions.

My vision for our association is rooted in transparency, collaboration, and responsiveness. I believe the board should be an approachable and proactive body that listens to residents, considers proposals thoughtfully, and prioritizes what's best for the community. If elected, I aim to enhance communication between the board and homeowners, promote timely maintenance and repairs, and explore cost-effective ways to improve our shared spaces.

I appreciate your consideration and would be honored to serve our community in this capacity.
