Introduction

California *Civil Code* section 5100 requires that certain types of Member votes be held by a secret ballot procedure, including elections relating to the following topics: (1) regular assessment increases legally requiring a vote and the levy of special assessments legally requiring a vote; (2) the election and removal of Directors; (3) amendments to the Governing Documents; and (4) the grant of exclusive use of a portion of the common area of the Development to a Member. Additionally, California *Civil Code* section 5105 requires that the Association adopt operating rules that include specific provisions relating to that secret ballot voting procedure. These Election Rules were drafted to reflect and comply with those statutory requirements.

Equal Access to Association Media

If any Candidate or Member advocating a point of view is provided access to Association media, newsletters, or internet websites during a campaign, for purposes that are reasonably related to that election, equal access shall be provided to all Candidates and Members advocating a point of view (including those not endorsed by the Board) for purposes that are reasonably related to that election. The Association shall not edit or redact any content from these communications, but may include a statement specifying that the Candidate or Member - and not the Association - is responsible for that content. The foregoing requirements shall not be interpreted as obligating the Association to automatically provide Candidates or Members with access to Association media, newsletters, or internet websites during a campaign, and whether to do so will be decided by the Board in its sole discretion with respect to each individual election.

Equal Access to Common Area Meeting Space

The Association shall ensure access to common area meeting space, if any exists, during a campaign, at no cost, to all Candidates (including those who are not incumbents) and to all Members advocating a point of view (including those not endorsed by the Board) for purposes reasonably related to that election. The foregoing requirement shall not be interpreted as obligating the Association to provide access to any common area meeting space at times when the space is normally and customarily utilized for other Association-or community purposes. The use of any common area meeting space relating to an election shall be subject to provisions of the Governing Documents regarding the use of such space; provided, however, a Candidate or Member shall not be required to pay a fee, make a deposit, obtain liability insurance, or pay the premium or deductible on the Association's insurance policy in order to use the common area meeting space.

Qualifications for Candidates for the Board

Candidate Qualifications. The Association shall hold an election for a seat on the Board at the expiration of the corresponding Director's term. The following qualifications apply for a person to be nominated as a Candidate for the Board:

1. The person must be a Member at the time of nomination; if title to a lot is held by a legal entity that is not a natural person, the governing authority of that legal entity shall have the power to appoint a natural person to be a Member for purposes of the foregoing.
2. The person must be current in the payment of regular and special assessments.
3. The Candidate, if elected, would not be serving on the Board at the same time as another person who holds a joint ownership interest in the same lot as the Candidate and the other person is either properly nominated for the then current election or is an incumbent Director.
4. The person must not have a past criminal conviction that would, if the person is elected, either prevent the Association from purchasing the fidelity bond coverage required by California *Civil Code* section 5806 or terminate the Association's then existing fidelity bond coverage.

Any other Candidate qualifications set forth in the Bylaws or other Governing Documents are not applicable or enforceable, except to the extent provided by law.

Conditions to Candidate Disqualification. The Association shall disqualify a person from nomination as a Candidate if he or she does not meet the foregoing qualifications, subject to the following conditions:

- While the Association may disqualify a person from nomination to the Board for nonpayment of regular and special assessments, the Association may not disqualify a nominee for nonpayment of fines, fines renamed as assessments, collection charges, late charges, or costs levied by a third party. Further, a person shall not be disqualified from nomination to the Board for failure to be current in the payment of regular and special assessments if either of the following circumstances is true: (i) the person has paid the regular or special assessment under protest pursuant to California *Civil Code* section 5658; or (ii) the person has entered into a payment plan with the Association for the regular or special assessment pursuant to California *Civil Code* section 5665.
- The Association shall not disqualify a person from nomination to the Board if the person has not first been provided the opportunity to engage in internal dispute resolution with the Association pursuant to California *Civil Code* section 5900 et seq.

Corporate Transparency Act Compliance

The Corporate Transparency Act and any other related companion statutes or regulations, including its state counterparts (collectively, "CTA"), is federal law intended to provide the U.S. Department of the Treasury with beneficial ownership information for the purpose of detecting suspicious financial activity, such as money laundering and tax fraud, along with funding for terrorism and other misconduct, such as drug trafficking, through business corporations registered with the Secretary of State. Businesses must file a Beneficial Ownership Information Report that identifies the individuals associated with the business who exercise substantial control over the business and financial assets. This CTA applies to homeowners associations, as a "Reporting Company," and their directors known as "Beneficial Owners."

1. A Director must comply with the CTA, as applicable. Candidates are on notice that if they serve on the Board then the CTA may require submission of the Director's personal information including, but not limited to, birthdate and driver's license or passport information, along with their home address.

2. If a Director refuses to timely comply with the CTA, then the Director voluntarily consents (i) to the Association's removal of the Director for noncompliance and/or (ii) to be responsible for any governmental punishment imposed against the Association, including but not limited to any fines or criminal punishments due to the Director's noncompliance. The Association further reserves the right to pursue disciplinary enforcement and reimbursement for CTA noncompliance against the Director after a noticed hearing.

Procedures for the Nomination of Candidates

Election Cycle. The Board is comprised of five Directors who serve two-year staggered terms. Three Directors are elected in even-numbered calendar years, and two Directors are elected in odd-numbered calendar years.

Notice of the Procedure and Deadline for Nominations. The Association shall provide the Members general notice of the procedure and deadline for submitting a nomination at least 30 days before any deadline for submitting a nomination. Individual notice of that procedure and deadline shall be delivered to a Member if individual notice is requested by the Member.

Member Self-Nomination. Any Member may "self-nominate" himself or herself for election to the Board. A Member desiring to nominate himself or herself as a Candidate must: (1) satisfy the qualifications for Candidates in effect at the time the Member's candidacy is proposed; and (2) present written notice to the Board of his or her desire to self-nominate for a Board election on or before the nomination deadline established by the Association for that election and in accordance with such procedures that the Association may have adopted for the election.

Nominations from the Floor Prohibited. Nominations from the floor are not permitted at any Board election meeting.

Write-In Candidates Prohibited. Write-in Candidates are not permitted in any Director election.

Voting Power of Each Membership

Each Member is entitled to cast one vote for each lot in the Development that the Member owns. When more than one person owns an interest in a single lot, only one vote may be cast for that lot.

Secret Ballot Electronic Voting

The Association may utilize electronic Secret Ballots for any election allowed by law. When the Association holds an election with electronic Secret Ballot voting, the following requirements apply:

A. Basic Conditions and Requirements

1. Electronic Secret Ballots are not permitted for special assessment elections unless otherwise permitted by law.
2. Nominations from the floor are not permitted with electronic Secret Ballots unless otherwise permitted by law.
3. Electronic Secret Ballots received shall be counted towards quorum, but a substantive vote of the Members shall not be taken on any other issues than those identified in the electronic vote.
4. The electronic Secret Ballot and any written Secret Ballot shall contain the same list of items being voted on.
5. Members voting by electronic Secret Ballot may request a physical copy of the text of the proposed amendment without charge.
6. An election may be conducted entirely by mail, electronic Secret Ballot, or a combination of both notwithstanding contrary terms in the Governing Documents.
7. There shall be a tally sheet of votes cast by electronic Secret Ballot.

B. Member Opt-in and Opt-Out Selection

1. Unless a Member opts out of electronic Secret Ballot voting as described below, each Member consents to voting by electronic Secret Ballot if the Association has the Member's email address.
2. The Association must maintain a membership/voting list identifying Members' electronic Secret Ballot or written Secret Ballot voting method selections.
3. A Member may change from a written Secret Ballot to an electronic Secret Ballot, or an electronic Secret Ballot to written Secret Ballot, up until ninety (90) days before an election. At least one hundred twenty (120) days before an election, the Association shall provide Individual Notice of the membership list with the following:
 - (a) The Member's current voting method selection;
 - (b) The Member's email address used for electronic Secret Ballot voting, if applicable;
 - (c) This statement or a statement substantially similar, "If you elect to vote by written Secret Ballot instead of electronic Secret Ballot voting, then you will be opted out of electronic Secret Ballot voting";
 - (d) Instructions on how to opt out of electronic Secret Ballot voting; and
 - (e) Electronic Secret Ballot voting opt-out deadline (which is up until ninety (90) days before an election).

4. If a Member opts out of receiving an electronic Secret Ballot or the Association does not have an email address for a Member, such Member shall receive a written Secret Ballot from the Association.

5. Any Member voting by electronic Secret Ballot must provide a valid email address and shall only receive an electronic Secret Ballot from the Association.

C. Additional Electronic Secret Ballot Requirements

The ballot shall also contain instructions on the following:

- (b) A method to transmit an electronic Secret Ballot to the internet-based voting system that ensures secrecy and integrity; and
- (c) A method to confirm, at least thirty (30) days before the voting deadline, that the Member's electronic device can successfully communicate with the internet-based voting system.

2. The Inspector must also ensure that any internet-based voting system utilized shall have the ability to accomplish the following:

- (a) Authentication of the Member's identity;
- (b) Authentication of the electronic Secret Ballot transmitted to ensure it was not altered during transmission;
- (c) A receipt of confirmation of the submitted electronic Secret Ballot;
- (d) Permanent separation of any voter authentication or identification information from the electronic Secret Ballot, rendering it impossible to connect the ballot to a specific Member; and
- (e) Storage and electronic Secret Ballots accessibility to elections officials or their authorized representatives for recount, inspection, and review purposes.

Election by Acclamation

Notwithstanding any secret balloting requirements, or any contrary provision in the Governing Documents, when, as of the deadline for submitting nominations per Civil Code § 5115(a), the number of qualified candidates is not more than the number of vacancies to be elected, as determined by the Inspector or Inspectors, the Association may, but is not required to, consider the qualified candidates elected by acclamation if all of the following conditions have been met:

A. The Association has held a regular election for the Directors in the last three years. The three-year time period shall be calculated from the date ballots were due in the last full election to the start of voting for the proposed election.

B. The Association provided individual notice of the election and the procedure for nominating candidates as follows:

(1) Initial notice at least ninety (90) days before the deadline for submitting nominations provided for in Civil Code § 5115(a). The initial notice shall include all of the following:

b) The deadline for submitting nominations.

c) The manner in which nominations can be submitted.

d) A list of the names of all of the qualified candidates to fill the Board positions as of the date of the reminder notice.

e) A statement reminding Members that if, at the close of the time period for making nominations, there are the same number or fewer qualified candidates as there are Board positions to be filled, then the Board may, after voting to do so, seat the qualified candidates by acclamation without balloting. This statement is not required if, at the time the reminder notice will be delivered, the number of qualified candidates already exceeds the number of Board positions to be filled.

C. The Association provides the following:

(1) Within seven (7) business days of receiving a nomination, a written or electronic communication acknowledging the nomination to the Member who submitted the nomination.

(2) Within seven (7) business days of receiving a nomination, a written or electronic communication to the nominee, indicating either of the following:

a) The nominee is a qualified candidate for the Board.

b) The nominee is not a qualified candidate for the Board, the basis for the disqualification, and the procedure, which shall comply with the Davis-Stirling Act and these Bylaws, by which the nominee may appeal the disqualification.

(3) The Association may combine the written or electronic communication described in paragraphs (1) and (2) into a single written or electronic communication if the nominee and the nominator are the same person.

D. The Association complies with the following:

(2) Notwithstanding the foregoing paragraph, the Association may disqualify a nominee if the person has served the maximum number of terms or sequential terms allowed by the Association, if any.

(3) If the Association disqualifies a nominee pursuant to the Davis-Stirling Act and the Bylaws, the Association requires a Director to comply with the same requirements.

E. The Board votes to consider the qualified candidates elected by acclamation at a Board meeting

pursuant to which the agenda item reflects the name of each qualified candidate that will be seated by acclamation if the item is approved. The Board's vote for election by acclamation concludes the election process. Meeting minutes should also specify the date such elected candidates will be seated on the Board.

Proxies Not Permitted

The use of proxies is prohibited.

The voter list shall include name, voting power, and either the physical address of the voter's lot, the parcel number, or both. The mailing address for the Ballot shall be listed on the voter list if it differs from the physical address of the voter's lot or if only the parcel number is used. The Association shall permit members to verify the accuracy of their individual information on both lists at least 30 days before the Ballots are distributed. Secret Ballot Procedures

Voting Procedures. Following are the procedures to be used for secret ballot voting conducted pursuant to these Election Rules:

1. Ballots and two pre-addressed envelopes with instructions on how to return Ballots shall be mailed by first-class mail or delivered by the Association to every Member not less than 30 days before the deadline for voting.
2. In order to preserve confidentiality, a voter may not be identified by name, address, or lot, parcel, or unit number on the Ballot.
3. The Association will use as a model those procedures used by California counties for ensuring confidentiality of vote by mail ballots, including all of the following:
 - a. The Ballot itself is not signed by the voter, but is inserted into an envelope (the **"Ballot Envelope"**) that is sealed. The Ballot Envelope is inserted into a second envelope (the **"Outer Envelope"**) that is sealed. In the upper left-hand corner of the Outer Envelope, the voter shall sign his or her name, write his or her name, and write the address or lot identifier within the Development that entitles the voter to vote; the Association may, in its sole discretion, provide an Outer Envelope to a Member that includes the voter's name and address, or name and lot identifier, typewritten or otherwise placed on the Outer Envelope, requiring the Member to only sign the Outer Envelope in the correct area.
 - b. The Outer Envelope will be addressed to the Inspector(s) of Elections, who will be tallying the votes. The Outer Envelope (containing the Ballot and the Ballot Envelope) may be mailed or delivered by hand to the location specified by the Inspector(s) of Elections for the return of Ballots, and a Member may request a receipt for delivery of his or her Ballot.

Quorum. A quorum shall be required only if so stated in the Governing Documents or provisions of law. If a quorum is required by the Governing Documents, each Ballot received by the Inspector(s) of Elections shall be treated as a Member present at a meeting for purposes of establishing a quorum.

Cumulative Voting. Pursuant to Section 5.3(D) of the Bylaws, cumulative voting is not permitted in any Director election.

Conduct of Election by Mail. Except for the meeting to count the votes, an election may be conducted entirely by mail unless otherwise specified in the Governing Documents.

Governing Document Amendments. In an election to approve an amendment of the Governing Documents, the text of the proposed amendment shall be delivered to the Members with the Ballot.

Counting of Ballots

Vote Count and Tabulation. All votes shall be counted and tabulated by the Inspector(s) of Elections, or the designee of the Inspector(s) of Elections, in public at a properly noticed open meeting of the Board or Members. Any Candidate or other Member of the Association may witness the counting and tabulation of the votes. No person, including a Member or an employee of the Association's management company, shall open or otherwise review any Ballot prior to the time and place at which the Ballots are counted and tabulated; however, the Inspector(s) of Elections,

Page 10 of 12

or the designee of the Inspector(s) of Elections, may verify a Member's information and signature on the Outer Envelope prior to the meeting at which Ballots are tabulated. Once a Ballot is received by the Inspector(s) of Elections, it shall be irrevocable.

Announcement of Results. The tabulated results of the election shall be promptly reported to the Board and shall be recorded in the minutes of the next meeting of the Board, and shall be available for review by the Members. Within 15 days of the election, the Board shall give the Members general notice of the tabulated results of the election.

Determination of Director Election Results: Succession to Office

Elected Candidates. The Candidates receiving the highest number of votes, up to the number of vacancies to be filled in a Director election, shall be elected as Directors and shall take office immediately following their election.

Tied Votes. Except to the extent applicable law or the Governing Documents requires that a run-off election be conducted in the event there is a tie vote between Candidates, the tie shall be broken by an immediate random drawing of lots/straws or coin toss conducted by the Inspector(s) of Elections and the winner(s) shall be elected as a Directors and take office immediately following the occurrence of the tie-breaker.

Withdrawal of Candidates. If a Candidate withdraws his or her candidacy from an election after Ballots have been distributed to the Members for an election, such withdrawal shall not be cause for cancellation of the election, even though one or more Members may have already mailed their completed Ballot to the Inspector(s) of Elections. If such a former Candidate receives enough votes such that he or she would have been elected to the Board, that former Candidate shall not be elected to the Board and the Candidate receiving the next highest number of votes shall be elected to the Board instead.

Custody of Ballots

The sealed Ballots, signed voter envelopes, voter list, proxies (if any), and Candidate registration list shall at all times be in the custody of the Inspector(s) of Elections or at a location designated by the Inspector(s) of Elections until after the tabulation of the vote, and until the time allowed by California *Civil Code* section 5145 for challenging the election has expired, at which time custody shall be transferred to the Association. If there is a recount or other challenge to the election process, the Inspector(s) of Elections shall, upon written request, make the Ballots available for inspection and review by a Member or the Member's authorized representative. Any recount shall be conducted in a manner that preserves the confidentiality of the vote.

Prohibition of Association Funds for Campaign Purposes

Association funds shall not be used for campaign purposes in connection with any Board election. In addition, funds of the Association shall not be used for campaign purposes in connection with any other Association election except to the extent necessary to comply with duties of the Association imposed by law.

Conflicts with Bylaws

These Election Rules are intended to conform to and comply with the provisions of California *Civil Code* section 5100 et seq. To the extent of any conflict between the provisions of these Election Rules and the provisions set forth in the Bylaws or other Governing Documents, the provisions of these Election Rules shall control to the extent the provisions of these Election Rules were adopted to comply with requirements under the law.

Effective Date of these Election Rules

These Election Rules become effective on January 1, 2020 or on the date of adoption, whichever is later, and shall supersede all previously adopted election rules of the Association.
