RE: Easement Vote – Election Period Extended

Dear Member,

Earlier you received a ballot packet to vote on whether the Board of Directors may enter into an Easement Agreement with SiFi Networks Simi Valley, LLC to allow fiber optics to be installed in the complex.

You are receiving this notice because we have not yet received a ballot with your vote. The Board of Directors would like to involve as many members as possible, so **the period to vote has been extended**. The **new date** for our meeting to tabulate the ballots is as follows:

Date: **September 20, 2023**

Time: **6:00 PM**

Location: Via Zoom

Meeting and zoom info will be posted at: www.TheHOAElectionGuys.com/sinaloavillas

All mailed ballots should be received by us by September 19, 2023.

As of today, we have received 73 ballots – well short of the 100 that are needed to take action on this proposed amendment. Please mail in your ballot as soon as possible so your voice can be heard.

If you have any questions, please do not hesitate to contact your association's Inspector of Elections.
