Woodminster Homeowners Association

RE: Notice of Nomination Procedure

Dear Member,

As you may know, California requires homeowner associations to use an independent third-party as their Inspector of Elections. Our company has been contracted by your association to serve in this role for your upcoming board of director elections and we look forward to working with you.

Are you interested in running for your board of directors? The nomination period is now open, and there are two ways to nominate yourself.

Online: We have an easy-to-use web page that will allow you to submit your nomination and your candidacy statement. Please visit: **www.TheHOAElectionGuys.com/nominate**

By Mail: If you prefer to mail in your nomination, you can do so by completing the form on the reverse of this page and mailing it (along with an optional single page black and white candidacy statement) to us at our address shown on this letter. **DO NOT** mail this to your management company or send it with your assessment payment.

Make sure you get your nomination in soon, in order for your name to appear on the ballot we must receive your nomination no later than **April 20, 2022**

We have set-up a webpage to provide the schedule, election rules and other details and it will be updated periodically leading up to the election. Please visit and bookmark the following webpage: **www.TheHOAElectionGuys.com/woodminster**
