ARTICLE 2: MEMBERSHIP MEETINGS

2.1 Generally

a. Annual Meetings – The Association must hold an annual meeting each year to conduct and Association business requiring a membership vote. Such meetings may include Director elections or other types of elections. The Board must set the date and hour to hold such meetings, generally the second Tuesday of November.

b. Special Meetings – Special meetings may be called for any lawful purpose by any of the following:

- President of the Association
- Majority of the Board
- Members constituting at least five percent (5%) of the voting power of the Association, or as required by law. If a special meeting is called by Members of the

Association, the request must be submitted to the Board in writing, specifying the nature of the business to be transacted. The Director or Officer receiving the request must promptly deliver the request to the remaining Directors.

c. Date, Time and Location of Meetings

- (i) Selected by the Board – Annual and special membership meetings will be held at a suitable location in or reasonably close to the Association.
- (ii) Selected by the Membership – If the date, time and/or location of a membership meeting selected by petitioning Members is unreasonable or contrary to the governing documents and/or statutory requirements, the Board is empowered to reschedule the date, time and/or location to something reasonable, relatively close to the original date, time and location requested by the Members calling the meeting, and compliant with the governing documents and statutory requirements.

2.2 Notice Requirements

- a. Notice of Special Meetings Called by the Board – Except where one or more different periods are required by superseding provisions of the Davis-Stirling Act, all the following requirements apply: Notice of special meetings called by the Board must be given not less than ten (10) days nor more than ninety (90) days before the date of the meeting. If action is to be taken at the meeting, secret ballots must be mailed to every member not less than thirty (30) days before the deadline for voting.
- b. Notice of Special Meetings Called by Petition of the Members – Except where one or more different periods are required by superseding provisions of the Davis-Stirling Act, all the following requirements apply: Notice of special meetings called by the Members must be given by the Board within twenty (20) days after the Board's receipt of such request. If the Board fails to give notice, the persons calling the special meeting may give notice consistent with these Election Rules. The special meeting must be held not less than thirty-five (35) days nor more than ninety (90) days following the Board's receipt of the request. If action is to be taken at the meeting, secret ballots must be mailed to every member not less than thirty (30) days before the deadline for voting.
- c. Notice Contents – The notice must specify the place, date, and hour of the meeting and in the case of a special meeting, the nature of the business to be transacted as specified by those persons calling the meeting (and that no other business may be transacted except as specified in the notice), or in the case of the annual meeting, those matters which the Board intends to present for action by the Members.

- d. Delivery – Notice of any membership meeting must be given as follows:
 - i. Method of Delivery – Either personally, by electronic transmission (when consented to by the Member) or by first-class mail, charges prepaid.
 - ii. Location of Delivery – To the Member at a primary or secondary address stated in a written notice provided by the Member to the Association pursuant to Civil Code §4041; or if the Member fails to provide such notice, the last address provided in writing by the Member; or if none of the above, the address of the Member’s Separate Interest.
 - iii. Delivery Deemed Given – Notice of a membership meeting is deemed given when delivered personally, deposited in the mail, or upon completion of electronic transmission to those Members who have consented to the same.

2.3 Chair of Meeting – The President of the Board must call the membership meeting to order and must chair the meeting unless the President or a majority of the Board selects another person to chair the meeting.

2.4 Quorum – The quorum requirement for membership meetings is fifty-one percent (51%) of the voting power of the Association. The Members may be represented in person, by ballot, or by proxy. When a quorum is present, the affirmative vote of a majority of the voting power represented at the meeting, entitled to vote and voting on any matter, is an act of the Members unless the vote of a greater number is required by the Association’s articles, Bylaws, CC&Rs or law. Under the Davis-Stirling Act, the quorum for an election to approve an assessment increase is more than fifty percent (50%) of the members.

2.5 Lack of Quorum – In the absence of a quorum at the beginning of a membership meeting, no business may be transacted except to adjourn the meeting to another date and time. A majority of the Members present and entitled to vote may adjourn the meeting, if at any meeting of the Association a quorum is not present. An adjournment for lack of a Quorum must be to a date not less than five (5) days nor more than thirty (30) days from the date the original meeting was called and the Quorum for any adjourned meeting or election will be reduced to 25%. If a new record date is fixed for notice or voting after the adjournment, a notice of the adjourned meeting must be given to each Member who, on the record date for notice of the meeting, is entitled to vote at the meeting.

2.6 Loss of Quorum – Loss of Quorum. The Members present at a duly called membership meeting at which a quorum is initially present may continue to transact business until adjournment, notwithstanding the loss of quorum. The business must be approved by enough Members to constitute at least a majority of a quorum had a quorum been present.

ARTICLE 3: DIRECTORS

3.1 Number and Term Directors – The Board will consist of five (5) Directors. The term of each Director is one (1) year and until a qualified successor is elected to fill his/her seat.

3.2 Candidate and Director Qualifications – Members must meet the qualifications in the subsections hereafter to be eligible for nomination as a candidate for, or to serve as a Director, on the Board.

- a. Candidates Must be Members – The Association must disqualify the nomination of a candidate who is not a Member of the Association at the time of nomination.
- b. Prior Ownership for One Year – To be eligible for nomination and/or to serve on the Board, a candidate for the Board or serving as a Director must be the record Owner of a Separate Interest for at least one year, proof of which must be a recorded deed. - c. Member in Good Standing – To be eligible for nomination and/or to serve on the Board, the person or impersonal entity must not be delinquent by more than sixty (60) days in the payment of any regular or special Assessment (following proper notice, hearing, and a finding by the Board), except:

- d. Co-Owners Eligible for Only One Position – To be eligible for nomination and/or to serve on the Board, the person or impersonal entity must not have a record fee simple ownership interest in a Separate Interest which is part of the Development with another person or impersonal entity concurrently serving as a Director. Where two or more co-owners concurrently seek election to the Board, only the first nomination will be effective.
- e. Criminal Conviction – A person who has disclosed, or concerning whom the Board has become aware, of a past criminal conviction that would, if the person is elected, either prevent the Association from purchasing the fidelity bond coverage required by Civil Code Section 5806, or any successor statute, or which conviction would cause such coverage to be terminated, is ineligible for nomination to the Board. Each nominee, at the time of nomination, shall disclose the existence of any past criminal conviction and the details thereof, with sufficient details to allow the Association to determine whether the criminal conviction will prevent the Association from purchasing the required fidelity bond coverage.

- f. Internal Dispute Resolution – Before any candidate for nomination or serving Director may be disqualified, the person or impersonal entity must be provided the opportunity to engage in internal dispute resolution as provided in the Davis-Stirling Act.
- 3.3 Impersonal Entities – If title to a Separate Interest is held by a legal entity that is not a natural person, the governing authority of that legal entity shall have the power to appoint a natural person to be a Member for candidacy or serving on the Board. - d. Receive Ballots – Receive all ballots. Once received by an Inspector of Election, ballots are irrevocable.
- e. Custody – Sealed ballots, signed voter envelopes, voter list, proxies, and candidate registration list shall at all times be in the custody of the Inspector(s) of Election or at a location designated by the Inspector(s) until after the tabulation of the vote, and until the time allowed by Section 5145 for challenging the election has expired, at which time custody shall be transferred to the Association. No person, including a Member of the Association or an employee of the management company, is permitted to open or otherwise review any ballot before the time and place at which the ballots are counted and tabulated. The Inspector(s) of Election or the Inspector(s) appointee(s) may verify the Member’s information and signature on the outer envelope before the meeting at which ballots are tabulated.
- f. Challenges – Hear and determine all challenges and questions in any way arising out of or in connection with the right to vote. If there is a recount or other challenge to the election process, the Inspector(s) of Election must make the ballots available for inspection and review by an Association Member or the Member’s authorized representative, upon written request. An Association Member may authorize a representative to review the ballots on his or her behalf. Any recount must be conducted in a manner that preserves the confidentiality of the vote.
- g. Counting Ballots – Count and tabulate all votes. All votes must be counted and tabulated by the Inspector(s) of Election or the Inspector(s) appointee(s) in public at a properly noticed open meeting of the Board of Directors or Members. - h. Appoint Assistants – Appoint and oversee additional independent third parties to verify signatures, and to count and tabulate votes as the Inspector(s) of Election deem appropriate provided that such persons are independent third parties.
- i. Results – Determine the tabulated results of the election.

- j. Impartiality – Perform all duties impartially, in good faith, to the best of the ability of the Inspector(s) of Election, as expeditiously as is practical, and in a manner that protects the interest of all Members of the Association. Any report made by the Inspector(s) of Election is prima facie evidence of the facts stated in the report.
- k. Miscellaneous – Perform any acts as may be proper to conduct the election with fairness to all Members under the Civil Code, the Corporations Code, the Association’s governing documents, and all applicable rules of the Association regarding the conduct of the election that are not in conflict with the Civil Code.

ARTICLE 5: NOMINATIONS

5.1 Nomination Procedures and Notice – Before the election of Directors, the Board must, by written notice to all Members, solicit nominees. The solicitation must include the “Candidate and Director Qualifications” described above and provide general notice of the procedure and deadline for submitting a nomination. The deadline must be at least thirty (30) days after giving notice. Delivery of the solicitation must be given by individual notice, under Civil Code §4040 if individual notice is requested by a Member before the solicitation is given. Nominees must be listed as candidates on the ballot provided, they meet the candidate and Director qualifications, and their nomination is made before the date and time set for the close of nominations.

5.2 Self-Nomination – Any qualified person may nominate himself or herself for election to the Board of Directors by submitting to the Association a written statement signed and dated by the person nominating himself or herself. The Association must set a cut-off date for the receipt of self-nomination statements, which date must be publicized in advance to the Members.

5.3 Nominating Committee – As provided for in the Bylaws, a nominating committee shall be appointed each year by the Board to solicit candidates to run for the Board and notify them of (i) the date for the close of candidate applications, (ii) the date for the election of Directors, either at an annual meeting or by ballot without a meeting, (iii) and the qualifications to serve on the Board. Per Civil Code §5105(a), the nominating committee may not preclude qualified Members from nominating themselves.

ARTICLE 6: BALLOTS AND PROXIES

- 6.1 Voting Rights –
 - a. Number of Votes – Each Member is entitled to one (1) vote per Separate Interest on all matters presented to the Members for a vote.

- b. Record Date – For Membership elections where a secret ballot is required under the law, and any other Membership election where the Board has not set a Record Date for the election, the Record Date will be the date ballots are distributed to the Membership. Only owners on the title on the Record Date are entitled to vote. Persons acquiring title after the Record Date may attend the election meeting but are not entitled to vote. For any Membership election where a secret ballot is not required under the law, the Board is permitted to set a Record Date for an election no more than sixty (60) days before the date of the election meeting.
- c. Proof of Membership – No person or entity may exercise the rights of membership without an ownership interest in a Separate Interest subject to Association’s CC&Rs. If the Board requests proof of ownership, the required proof is a recorded deed showing the required ownership or, if the property was transferred within the past thirty (30) days and a copy of the newly recorded deed is not yet available, a completed escrow closing statement is sufficient.
- d. Cumulative Voting – Cumulative voting is permitted. Every Member entitled to vote at any election for Directors of the Association is permitted to cumulate his/her votes and give one (1) candidate the total number of votes to which the Member is entitled to cast or may distribute the Member’s votes among the candidates as desired.
- e. Co-Owners – Where there is more than one owner of a Separate Interest subject to the Association’s CC&Rs, all such co-owners are Members and may attend any meeting of the Association, but only one co-owner is entitled to exercise the vote to which the Separate Interest is entitled. Fractional votes are not permitted. In the event more than one ballot is cast for a particular Separate Interest, only the first ballot received will be opened and counted.
- f. Presumption of Consent – Unless the Inspector(s) of Election receive a written objection before the close of balloting from a co-owner, it is conclusively presumed that a voting owner acted with the consent of his or her co-owners.
- g. Voting for Properly Nominated Candidates – Members must vote only for those candidate(s) who have been properly nominated before the close of nominations.

6.2 Proxies –

- a. Generally – The Association may use and accept proxies as permitted by law and the Association’s governing documents, provided that the Association is not required to prepare or distribute proxies. Proxies are not permitted to be construed or used in lieu of a ballot at a meeting.

- b. Proxy Form – Any instruction is given in a proxy issued for an election that directs how the proxy holder is to cast the vote must be set forth on a separate page of the proxy that can be detached and given to the proxy holder to retain. Proxies must meet all requirements of Chapter 4 of Article 2 of the Davis-Stirling Act, other laws, and the Association’s governing documents.
- c. Vote by Proxyholder – The proxy holder must cast the Member’s vote by secret ballot unless the proxy is revoked by the Member before the receipt of the ballot by any Inspector of Election as described in Corp. Code §7613.
- d. Who May Be Proxyholder – As provided for in Civil Code §5130(a)(1), proxy holders must be Members.

6.3 Pre-Ballot Notice – At least 30 days before the ballots are distributed, the Association must provide general notice (or individual notice to a Member who requested it) which includes:

- The date, time and physical address to mail or hand-deliver ballots to the Inspector(s)
- The date, time and location of the ballot counting meeting
- A list of candidates to appear on the ballots

6.4 Candidate List and Voter List – The Association must retain, as Association election materials, both a candidate registration list and a voter list. The voter list must include name, voting power, and either the physical address of the voter’s Separate Interest, the parcel number, or both. The mailing address for the ballot shall be listed on the voter list if it differs from the physical address of the voter’s Separate Interest or if only the parcel number is used.

6.5 Verification of Lists – The Association must permit Members to verify the accuracy of their individual information on the candidate registration list and the voter list at least 30 days before the ballots are distributed. The Association or Member must report any errors or omissions to either list to the Inspector(s) of Election who must make the corrections within two business days. Reports of any errors or omissions should be made early enough to allow for corrections to be made before the ballots are distributed.

6.6 Secret Ballots – All ballots mailed or otherwise delivered to the membership must include a double-envelope system and voting instructions for returning the ballots as provided for in the Davis-Stirling Act, and must be mailed by first-class mail or delivered to every Member entitled to vote at least thirty (30) days before the initial voting deadline. Ballots seeking approval to amend or restate governing documents must be delivered to the Members with the text of the proposed amendment.

- a. Signature – Ballots do not require a signature. Ballots signed by Members remain valid.
- b. Inner Envelope – The Association will provide two envelopes. To preserve secrecy, the ballot is to be placed within an inner envelope with no identifying information. However, information written on the inner envelope by a Member will not

invalidate the ballot. The inner envelope containing the ballot is to be placed into a second “outer” envelope containing identifying information.

- c. Outer Envelope – In the upper left-hand corner of the outer envelope, the voting Member must sign his/her name and indicate (print, type, etc.) his/her name and the address entitling the voter to vote. The outer envelope must be addressed to the Inspector(s) of Election.
- d. Delivery – The outer envelope may be mailed to the address on the envelope or delivered to a location specified by the Inspector(s) of Election. The Member may request a receipt for delivery.

6.7 Election Rules – At least 30 days before the voting deadline, the Inspector(s) of Election must deliver, or cause to be delivered, the election operating rules to all Members. Such rules may be delivered (1) by individual delivery (Civil Code §4040) or (2) by posting the rules on an internet website and including the website address (URL) on the ballot with the phrase, in at least 12-point font: “The rules governing this election may be found here:”

6.8 Power of Attorney – The Association cannot deny a ballot to a person with a general power of attorney for a Member. The ballot of a person with a general power of attorney must be counted if timely returned.

6.9 Quorum by Ballot – Each ballot received by an Inspector(s) of Election within a properly completed outer envelope from a Member is deemed as a Member present at a meeting for purposes of establishing a quorum.

ARTICLE 7: CAMPAIGNING

7.1 Access to Media –

a. Use of Association Resources –

- i. Association Media – Neither candidates nor Members may use the Association’s newsletter, website, any other Association media for campaign purposes.
- ii. Membership List – Candidates and Members have the right to request a copy of the Association’s membership list to distribute, at their own expense, materials which advocate a point of view reasonably related to an election, or as otherwise permitted by Civil Code §4515. Candidates and Members also have the right to contact Members who have opted out of the membership list through the alternate means of communication permitted under Cal. Civ. Code §5220 to distribute, at their own expense, materials that advocate a point of view reasonably related to the election or as otherwise permitted by Civil Code §4515.

- b. Exception – If any candidate or Member is provided access to Association newsletters, website, or other Association media during an election, or given permission to post-campaign material in the common area for purposes that are reasonably related to that election, equal access must be provided to all candidates and Members. The access is limited to information relating to that election and cannot exclude those candidates and Members not endorsed by the Board. The Association is not permitted to edit or redact any content from these communications but is permitted to include a statement that the candidate or member, and not the Association, is responsible for that content. The Association and its Directors, officers, and agents are immune from liability for the content of those communications to the fullest extent provided by law.

7.2 Use of Common Area During Election Campaign –

- a. Purpose – Regarding any Association election, each candidate, Member, or resident is permitted to use, if available, the Association’s common area at no cost for a purpose relating to Association elections as described in Civil Code §4515, including to advocate a point of view reasonably related to the election.
- b. Reservation – Each candidate, Member, or resident, who wants to use the common area according to Civil Code §§4515 or 5105 must make a reservation in advance of the date and time requested. Such requests to use the common area are granted on a first-come, first-served basis, provided that the area is not already reserved. To assure fairness, each candidate may not reserve or use the common area for more than two (2) hours on any particular date. Also, each candidate or Member is permitted to make only one (1) reservation per day to use the common area.

7.3 No Use of Association Funds for Campaign Purposes –

Association funds may not be used for campaign purposes in connection with any Board election and may not be used for campaign purposes in connection with any other association election except to the extent necessary to comply with duties of the Association imposed by law. The Association is not permitted to include the photograph or prominently feature the name of any candidate on a communication from the Association or its Board. Directors, in their capacities as Members, are permitted to advocate for the election or defeat of any issue or candidate on the ballot at their own expense and are not permitted to use Association funds for that purpose in any capacity.

7.4 Improper Electioneering –

- a. Prohibited Activities – In addition to any of the prohibitions under this article, candidates, Members, and residents, including their tenants, families, employees, agents, visitors, licensees, or servants are prohibited from engaging in any of the following activities:

-Causing any printed campaign or other election-related materials to be placed upon or affixed to (1) resident’s vehicles, (2) common area walls, doors, or windows, (3) mailboxes or mailbox structures, (4) or any portion of the common area not

expressly permitted in these rules without prior authorization from the Board or management

-Attempt to solicit either a vote or proxy from another Member, or their power of attorney, through deceit, harassment, intimidation, improper influence, undue coercion, or force

-Attempt to prevent a Member from casting a vote or delegating their right to vote via proxy through deceit, harassment, intimidation, improper influence, undue coercion, or force

-Interfere with the counting or tallying of votes

-Solicit the vote of a Member while in that Member's immediate presence or residence and during the time he or she knows the Member is voting

-Induce other Members to divert ballots away from the Inspector(s) of Election

-Interfere with any candidate's ability to distribute authorized campaign materials

- b. Report Violations – Members are encouraged to report any electioneering violations they witness to the Board or management.
- c. Fines – The Board is permitted to levy a fine of up to \$100 for each violation of this section.

ARTICLE 8: CANVASSING AND PETITIONING

8.1 Generally – Canvassing and petitioning the Members, the Board, and residents for purposes permitted in Civil Code §4515, by telephone and/or personal visits to private residences in the development, is limited to the hours of 9:00 a.m. until 9:00 p.m. However, any Member or resident who declines to be contacted on any issue, including for a purpose specified in Civil Code §4515, must not be contacted by telephone or personal visits thereafter.

8.2 Impermissible Conduct – Nothing in this section permits a Member or resident to contact another Member or resident in a manner that constitutes a breach of the Member's or resident's quiet enjoyment, or a nuisance.

ARTICLE 9: DISTRIBUTING INFORMATION

9.1 Generally – Reasonably distributing and circulating information for any purposes described by Civil Code §4515, is permitted and restricted as follows:

The Association may validate signatures by comparing them against signatures on file with the Association or by contacting signers to verify their signatures. Any person on title to a property can sign on behalf of the property but it counts only once. For example, if there are ten owners on the title for one unit, all of whom sign a petition, it counts as one signature not ten.

10.3 Invalidity of Signatures – A petition can be rendered invalid if a sufficient number of signatures are found invalid or rescinded for good cause (such as fraud, mistake, undue influence or other valid grounds for rescission), such that the number of remaining signatures falls below 5% of the total voting power of the membership.

-Following the immediate recount, if the tie remains, all other newly elected Directors will immediately begin serving their terms. An incumbent Director whose seat was tied will continue in office until a runoff election determines the winner for his/her seat. Only candidates who tied for the seat will be in the runoff.

Monies advanced by the Member must be refunded if the outcome of the election is changed by the recount.

-The recount must be commenced no less than seven (7) days following the request for the recount and must be done by or under the supervision of the Inspector(s) of Election. If any Inspector of Election declines to perform the recount, the Board may appoint a replacement Inspector of Election, using the criteria specified in these rules and the replacement Inspector will assume custody of the ballots.

-Any recount may be observed by Members of the Association. No election materials may be touched or handled by any person without the express consent of the Inspector(s) of
